**Comments**

*I would like to log my objection to the site of Smitham Bridge Road for the building of houses as it will significantly increase the amount of traffic along Church Street. Church Street and the road up to Smitham Bridge Road is very narrow and the extra traffic will be very disruptive to residents and those using it to access the Croft. The Croft has a nursery and there are lots of parents and children walking along Church Street to access the Croft and more traffic will be a safety hazard. I feel that there are other sites around Hungerford that offer better access/wider roads and will have less environmental impact*
